

Department of Energy

§ 600.352

record retention time periods prescribed in this section, recipients must not destroy, discard, delete, or write over such computer data.

Termination and Enforcement

§ 600.350 Purpose of termination and enforcement.

Sections 600.351 through 600.353 set forth uniform procedures for suspension, termination, enforcement, and disputes.

§ 600.351 Termination.

(a) Awards may be terminated in whole or in part only in accordance with one of the following:

(1) By the contracting officer, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By the contracting officer with the consent of the recipient, in which case the two parties must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to the contracting officer written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. The recipient must provide such notice at least 30 calendar days prior to the effective date of the termination. However, if the contracting officer determines in the case of partial termination that the reduced or modified portion of the award will not accomplish the purposes for which the award was made, he or she may terminate the award in its entirety.

(b) If the recipient incurred allowable costs prior to the termination, the responsibilities of the recipient referred to in § 600.361(b), including those related to property, apply to the termination of the award, and provision must be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 600.352 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute,

regulation, assurance, application, or notice of award, the contracting officer may, in addition to imposing any of the special conditions outlined in § 600.304, take one or more of the following actions, as appropriate:

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the contracting officer.

(2) Disallow (that is, deny both the use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Apply other remedies that may be legally available.

(b) *Hearings and appeals.* In taking an enforcement action, DOE must provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable, unless the contracting officer expressly authorizes them in the notice of suspension or termination or subsequently authorizes such costs. Other recipient costs during suspension or after termination, which are necessary and not reasonably avoidable, are allowable if the costs:

(1) Result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable; and

(2) Would be allowable if the award expired normally at the end of the funding period.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under 10 CFR part 1036.
